**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Monday, April 24, 2023:

MINUTE entry before the Honorable John Robert Blakey: The Court denies Defendants' motion for reconsideration [91], which argues that the Court erroneously applied certain factual findings to both Defendants, rather than just to Defendant 387. But Defendants' motion makes clear that the Court's findings concerning notice, in fact, apply to both Defendants. Indeed, Defendants jointly moved to vacate, jointly arguing all points on behalf of "Defendants" and discussing "Defendants' website <https://madepants.com>"; they state in their motion that they are "owned by the same owner, with their principal officers as Xuebo Zeng" and that "Defendants hired an attorney Ms. Chen in China from Fa-Shen Consulting to engage with the Plaintiff starting from early February of 2023, to negotiate the settlement with the opposing counsel." [85] at 5–6. Based upon these representations and assertions, the Court declines to reconsider its findings that these Defendants were served, had actual notice of this lawsuit, failed to answer or otherwise appear, and failed to provide any factual or legal basis to justify vacating the default. See [90]. Mailed notice(mjc, )
